Two Newly Proven Sires Welcomed Among Top 10 LPI in Ayrshires

Des Fleurs Patriote-ET, son of Des Fleurs Poker Partenaire-ET, makes headlines this round as the highest newly proven sire at #3 LPI (#5 Milk, tied #5 Fat, #4 Protein), following his sire, Orraryd, at #1 LPI (#4 Milk, #1 Fat, #1 Protein) and Peterslund at #2 LPI (#3 Fat, #3 Protein). Kamouraska Radar-ET also has an impressive arrival with his first official proof, taking #7 LPI. This son of Pokerstars is out of a former LPI leader, Kamouraska Peterslund Ruby, and is therefore a maternal brother to proven sires Decaf, Rockstar and Volvo. Radar follows three sires that remain very stable, namely T-Bruno, Cock Rond Big Brother (tied #5 Fat) and Kellcrest Riesling, who now take #4, #5 and #6 LPI respectively. The Top 10 LPI list is completed by Roi Tennison-ET (#8 LPI, #4 Fat, #5 Protein), Duo Star Armani-ET (#9 LPI, #2 Milk) and Kamouraska Decaf-ET at #10 LPI.

For Ayrshire cows, a pair of full sisters who are Orraryd daughters of Visserdale Selena 3 by Rockstar, attract attention this round as Visserdale Selena 8 ET infiltrates the Top GLPI list in #2 position and leads the breed at #1 Fat (#2 Protein) while Visserdale Selena 7 ET grabs #6 GLPI position (tied #4 Fat, #4 Protein). Staying firm as breed leader at #1 GLPI is Kamouraska Orra Xuby, who is a maternal sister to newly proven Radar and daughter of Kamouraska Peterslund Ruby, at #8 GLPI (#2 Fat, #1 Protein). Also staying solid at #3 GLPI is Des Fleurs Orraryd Pardon-ET (#3 Milk, tied #4 Fat), who is a full sister to the highest newly proven sire, Patriote. Kamouraska Orrad Youdez takes #4 GLPI this round (#5 Milk, #3 Protein), ahead of Duo Star Armada-ET in #5 GLPI position and Des Coteaux Rockstar Alexandri at #7 GLPI (tied #4 Fat). The Top 10 GLPI list is rounded off by the daughter-dam pair of Margot Chocolate-ET (#9) and Margot Charade at #10 GLPI.

Top 10 Leaders Stay Strong in Jerseys

This August release represents a high level of stability among the breed leaders for both LPI and Pro\$. For sires, the top five remain the same group for LPI while for Pro\$ the highest seven bulls remain the same as last round. Hawarden Implus Premier takes #1 LPI (#2 Pro\$, tied #8 Conformation) by surpassing the former leader, Sunset Canyon Dignitary-ET, now #2 LPI but stays strong at #1 Pro\$ (#5 Fat). Also solid are ERTL Mantra, who maintains #3 ranking for both LPI and Pro\$ (#10 Milk), and Heartland Merchant Topeka, still at #4 LPI (#12 Pro\$, #6 Fat) but is now tied with River Valley Salinas Siren-ET (#4 LPI, #20 Pro\$, #10 Fat, #7 Protein). In addition to Premier, Dignitary and Mantra, two other sires manage to achieve Top 10 status for both LPI and Pro\$, namely BW Fastrack-ET at #6 LPI and #9 Pro\$ (tied #8 Protein), as well as All Lynns Valentino Irwin-ET at #8 LPI and #4 Pro\$. The Top 10 LPI list is completed by BW Renegade-ET at #7 (#24 Pro\$, #7 Fat), Guimo Joel-ET at #9 (#26 Pro\$, #2 Conformation) and Richies Jace TBone A364 at #10 (#38 Pro\$). In addition to sires previously mentioned, the Top 10 Pro\$ list also includes High Lawn Quake ET at #5 (#30 LPI, #1 Milk), All Lynns Louie Valentino-ET still at #6 (#26 LPI, #6 Milk), Sunset Canyon Dazzler-ET at #7 (#13 LPI) and ZJ Zuma at #8 Pro\$ (#14 LPI).

This round also features the arrival of six newly proven sires that reach Top 25 status for LPI or Pro\$. The highest newcomer for both national indexes is Wilsonview IF Matt at #10 Pro\$

and #12 LPI, who is the first son of Irwin proven in Canada. Jars of Clay Barnabas (Topeka x Valentino) follows immediately at #11 Pro\$ and occupies #23 LPI. Rowleys 11 Visionary Chili-ET is highest of the first two Visionary sons proven in Canada with his debut at #15 Pro\$ and #18 LPI while also becoming the new #1 sire for Protein. Ahlem Consideration (Dominican x Legal) achieves proven status and lands at #17 LPI and #32 Pro\$. Two other newcomers arrive among the Top 25 Pro\$, namely Buttercrest Galvanize (Valentino x Jevon) at #23 (#29 LPI) and All Lynns Hendrix Nitro (Hendrix x TBone) at #25 Pro\$ (#50 LPI, #3 Protein, #7 Milk).

For Jersey cows, nine of the previous Top 10 GLPI achieve this same elite status this round and the same is true for seven of the previous Top 10 for Pro\$. Guimo Premier Joany ET continues as #1 for both GLPI and Pro\$ as well as sharing #1 Conformation. Joany is followed on both lists by her sisters as Guimo Dynamic Joyce ET holds on to #2 GLPI (#7 Pro\$), Guimo Zuma Julia ET stays solid at #2 Pro\$ (#6 GLPI) and Guimo Premier Jade ET grabs #3 Pro\$ (#5 GLPI, tied #1 Conformation). Three Vivaldi daughters maintain their status among Top 10 GLPI cows this round, including Guimo Vivaldi Lysanne at #3 GLPI (#9 Pro\$), Summum Vivaldi Ira at #4 GLPI (#4 Pro\$, tied #8 Fat) and Gillard Vivaldi Viva at #7 GLPI (#49 Pro\$, tied #10 Fat). The Top 10 GLPI list is completed by Lencrest Premier Coco ET at #8 (#53 Pro\$), Bona Dimension Rickiki ET at #9 (tied #5 Pro\$) and FDL Premier Belle at #10 GLPI (#13 Pro\$). Outside of cows already mentioned, the top Pro\$ list includes two more Joany sisters, namely Guimo Spectacular Joelle (tied #5 Pro\$) and Guimo Zuma Justine ET (#8 Pro\$), who together also share #13 GLPI spot. The Top 10 Pro\$ cows are rounded off by Unique HP Bobbi Jo {5}-ET (#10 Milk, tied #3 Protein) and Phylum Rene Angelil who share #10 Pro\$ position and take #28 and #30 GLPI, respectively. Among the newly indexed cows this round it is Troiscotes Vivaldi Tirelire that achieves the highest ranking on the GLPI list at #11 (#122 Pro\$) and is immediately followed by Phylum Titanium Valerie ET at #12 GLPI (#22 Pro\$). The highest new cows for Pro\$ include All Lynns Dignitary Vensa at #16 (#23 GLPI, #3 Fat, tied #5 Protein), Reyla Nikon J'Adore ET at #17 (#18 GLPI, tied #6 Fat) and Phylum Chili Malda ET at #18 Pro\$ (tied #53 GLPI, maternal sister to Valerie).

Two Young Sire Graduates Enter Top 10 LPI in Brown Swiss

The Brown Swiss breed turns its eyes towards two newly proven sires that make their debut among the Top 10 LPI this round. Lime Rock Seasidebloom (dam is Lime Rock Narcissus Petunia by Driver) hits 1800 LPI to take #2 spot (#3 Milk, tied #4 Fat, tied #3 Protein), close behind his sire, Brookings, who holds on at #1 LPI (tied #5 Conformation). The second highest newly proven sire is Jobo Vigor Bush ET (Vigor x AltaPronto) who arrives at #6 LPI. The Top 5 LPI list is completed by Cozy Nook Twilight Twin (#3), Payssli ET (#4) and Olsons Mel Zeus Mojo ET (Zeus x Brinks) in #5 position from #15 after increasing 242 LPI points. Other newcomers with an interesting start among the Top 25 LPI are Alder's Wagor Nelgor (Wagor x Cowboy) at #19 LPI (#2 for both Milk and Protein), and Manis Glenn Whiskey ET (Glenn x Wurl) at #24 LPI and tied at #5 Conformation. For cows, Nor Bella Paul Eve loses some ground this round and slips to #2 GLPI (#4 Milk, #1 Fat, tied #3 Conformation) allowing Shady Lane Swiss Brkngs Alpha to regain her former #1 GLPI reign. After recently being genotyped, Gubelman Brookings Katie (dam is Gubelman Dorino Kimberley) is honoured as the highest cow qualifying for the GLPI list this round at #3 GLPI. She is followed by two herd mates, namely Gubelman Juhus Crystal at #4 GLPI (#3 Fat, tied #4 Protein) and Gubelman Driver Belle in #5 GLPI spot (#2 Protein), to complete the Top 5 GLPI list. The highest cow with her first official LPI this round is Redam Dazzler Alga at #13 GLPI (tied #4 Protein).

Steady Round for the Milking Shorthorn Breed

This August release represents stability for previous breed leaders, especially for sires. In fact, the list of Top 5 LPI has only minor reshuffling of the same bulls with Treeton Pingerly still at the helm as #1 LPI, #1 Milk, #3 Fat, #1 Protein and #2 Conformation. He is followed by B Jurist, who holds on at #2 LPI and also takes #2 position for Milk, Fat and Protein. GMC Rebel Logic-ET (#1 Conformation) swaps places with Kulp-Gen Jurist Ace ET (#1 Fat, #4 Protein) to occupy #3 and #4 LPI positions, respectively, while the Top 5 LPI list is completed by Oceanbrae Ironman-P ET in #5 spot (tied #5 Conformation). For cows, there is slightly more re-ranking but the breed is still led by Kulp-Gen Jurist Angel EXP-ET at #1 LPI (#1 Fat, #1 Protein). Lady Grove BJ Charm climbs one spot to #2 LPI (tied #5 Conformation) and surpasses her dam, Lands-Brook Chardonnay-ET-EXP, who now takes #3 LPI (tied #5 Fat, tied #2 Conformation). The two remaining cows on the Top 5 LPI list this round are Lady Grove TP Lady Nancy 8, who climbs from #7 to #4 (#2 Protein), and Lady Grove BJ Cherry at #5 LPI (full sister to Charm). The two highest newly indexed cows this round are Eloc Pingerly Crunk (Pingerly x Kourt) at #13 and Onaknoll Ironman Lori (Ironman x Pingerly) at #14 LPI.

"Prada" Confirmed as Conformation Specialist in Guernsey

Previously proven in the United States, Indian Acres Prada-ET (Aaron x Magicman) receives his first official LPI this round at #26 and confirms his status as a type specialist, becoming the new #1 Conformation bull at +12. As for the Top 5 LPI list, it remains exactly the same with Pine Ridge Double L-ET staying at #1 ahead of Trotacre Enhancer Lewis ET (#2 LPI, #1 Milk, #1 Protein). They are followed by maternal brothers Golden J Ronald Grumpy at #3 (tied #4 Protein) and Golden J Les George at #4 LPI. Idle Gold E Challenge rounds off this list at #5 LPI. For Guernsey cows, the leading trio remain unchanged with Glen Haven Lewis Lana still at #1 LPI (tied #5 Fat, #2 Protein), Eby Manor D L Indy at #2 LPI (tied #2 Fat) and Lindrian Polite in #3 LPI position (#1 Milk, tied #2 Fat, #1 Protein). The dam of Lana, Glen Haven Double Bubble, climbs one notch to take #4 LPI and the same is true for Guernsey View Urma's Expense as she reaches the #5 spot to complete the list of Top 5 LPI cows this round. The highest newly indexed cow this round is Guernsey View Zara's Brynn (George x Blue Spruce) at #34 LPI.

It's Quiet on the Scene in the Canadienne Breed

After receiving two newly proven bulls last round, this August release sees high stability with no bull changing more than 85 LPI points and the bulls on the Top 5 LPI list remaining unchanged. With Expo still at #1 LPI (#1 Milk, #2 Fat, #1 Protein), he is followed by Volcom (#2 LPI, #3 Milk, #4 Protein, #2 Conformation) and Simon (#3 LPI, #1 Conformation), while Faberge (#1 Fat, tied #3 Conformation) and Urluberlu (tied #5 Conformation) switch places to now occupy #4 and #5 LPI positions respectively. On the cow side, the Top 5 LPI remain exactly as before with Celebrity Vladimir You at #1 LPI (#2 Fat), Monbriant Expo Fleurette at #2, Amandes Vladimir Anabelle at #3 (tied #1 Protein), Amandes Vladimir Adele at #4 and Celebrity Vladimir Reina in #5 LPI spot (tied #1 Protein). The highest newly indexed cow this round is Amandes Moka Céleste (Moka x Vladimir) at #70 LPI.
