

### Two Newly Indexed Cows Achieve Top 10 Status for Both Indexes in Jerseys

Two cows make an outstanding debut this round as the highest newly indexed cows that penetrate the Top 10 list for both Pro\$ and GLPI. Guimo Chrome Jelly ET, who is a daughter of Guimo Spectacular Joelle, reaches #2 spot for Pro\$ and #8 GLPI. Island Vivaldi Julie follows immediately behind for Pro\$ in #3 position, as well as #4 GLPI, landing ahead of her dam Guimo Zuma Julia ET at #5 Pro\$ (#13 GLPI). Lencrest Cocopuff (#2 Fat) maintains her reign at #1 GLPI but moves to #4 Pro\$ and concedes the #1 Pro\$ spot back to Guimo Premier Joany ET (maternal sister to Julia), who is also tied at #2 GLPI. The Top 10 Pro\$ list is completed by Summum Vivaldi Ira, who takes #6 for both Pro\$ and GLPI, Lone Pine MegaPower Tsunami at #7 Pro\$ (#15 GLPI), Guimo Vivaldi Jezia, who moves to #8 Pro\$ but stays solid in #2 GLPI position, Reyla Barnabas Dolce Vita (#9 Pro\$ from #14 position, #19 GLPI) and FDL Premier Belle at #10 Pro\$ and #12 GLPI. Three previous Top 10 GLPI cows maintain this status including Lencrest Premier Coco ET (#5 GLPI, tied #38 Pro\$, dam of Cocopuff), Guimo Vivaldi Lysanne (#7 GLPI, #16 Pro\$) and Redhot Matt Tesla ET (#9 GLPI, #15 Pro\$), who also maintains her rank at #1 Conformation. Progenesis Trillium (MacKenzie x Megatron) is a newly indexed cow this round that reaches #10 GLPI (#165 Pro\$) to complete that list of high ranking cows and also becomes a new breed leader at #1 Fat.

For sires, the group among the Top 5 for both LPI and Pro\$ include the same bulls as in August. For LPI, the order remains unchanged led by Golden GDK Vivaldi, who remains #1 for both LPI and Pro\$ (tied #2 Fat), and is still followed by maternal brothers, Hawarden Dimension Pilgrim-ET (#2 LPI, #11 Pro\$, tied #2 Fat, tied #8 Protein) and Hawarden Impuls Premier (#3 LPI, #5 Pro\$), and then Wilsonview IF Matt-ET (#4 for both LPI and Pro\$) and River Valley PF MegaPower-ET at #5 LPI (#7 Pro\$, #5 Fat, #7 Protein). For Pro\$, River Valley Cece Chrome-ET climbs up to take #2 Pro\$ spot (#6 LPI), nudging River Valley Pfennig Perfect Fit down one position to #3 Pro\$ (tied #7 LPI, tied #8 Protein, maternal brother to MegaPower). The Top 10 Pro\$ list is completed by ERTL Mantra (#6 Pro\$, tied #7 LPI, #6 Milk, tied #5 Protein), Dutch Hollow Oliver-P (#8 Pro\$, #12 LPI, tied #9 Conformation), Sunset Canyon Dazzler-ET (#9 Pro\$, #13 LPI, maternal brother to Sunset Canyon Decoy-ET at #14 Pro\$, #24 LPI, #5 Milk, tied #10 Protein) and Lynns Valentino Irwin-ET at #10 Pro\$ (#18 LPI). For LPI, Sunset Canyon Megatron-ET now occupies #9 position (#1 Fat, #2 Protein, sire of MegaPower), staying ahead of the highest newly proven sire for LPI this round, Missiska Moore, with his debut at #10 LPI (#20 Pro\$, #8 Fat). Moore is the first proven son of Tollenaars Rene 1128 Sir-ET and a maternal brother to Missiska MacKenzie ET at #11 LPI, #54 Pro\$, #7 Fat. The highest newcomer for Pro\$ this round is Dutch Hollow Dillan-P in #12 position (#33 LPI), who is the first proven son of Dutch Hollow Vintage-P-ET. Two other newly proven sires rank among the Top 20 for either index this December. Sunset Canyon Dimension-ET becomes the new #1 Protein and lands at #15 LPI (#42 Pro\$, #9 Fat), right behind his maternal brother, Sunset Canyon Dignitary-ET at #14 LPI (#13 Pro\$). Ahlem Genominator is the first proven son in Canada of All Lynns Valentino Marvel and arrives at #19 Pro\$ and #22 LPI.
